RESOLUTION

The General Body noted that the Government has failed to honour its commitment on recommendations given by the high level Joint Committee consisting of Government officials and ITSA representatives even though these recommendations were accepted & approved by the Government in December 2007. In view of this breach of trust, General Body unanimously rejects the latest terms & conditions, for absorption of Group 'A' officers, issued by Department of Telecommunications.

2. It further resolves that CHQ is fully empowered to decide and deal with the present process of absorption in the best interest of ITS Cadre. General Body re-affirms to maintain complete unity & solidarity and reposes full confidence in ITSA CHQ.

3. CHQ may send copies of this resolution to all concerned.
